“WORK SHED SCHEME FOR MUSLIN WEAVERS UNDER ‘PROJECT MUSLIN’ ”

West Bengal Khadi & Village Industries Board has been assigned by MSME&T Department, Govt. of West Bengal to uplift the heritage of Muslin in the State of West Bengal by providing training with a view to technology up-gradation for adaptation of appropriate technology, quality improvement and hard-intervention support etc i.e. supply of looms and accessories to the loom less weavers, construction of work-shed construction of Common Facilitating Centre etc.

By survey, it is felt necessary to construct work-shed for Muslin weavers as the Muslin Weavers have not sufficient place to install loom. A growing need has been felt to facilitate and empower Muslin weavers to chart out a sustainable path for growth, income generation and better work environment, so that they are able to have right working atmosphere and better ambiance to enable them to carry out weaving work efficiently.

The work shed scheme for Muslin Weaver is an attempt to facilitate the development of Muslin weavers by way of providing them financial assistance for construction of work shed for Muslin weaving.
